At ASA New Mexico, we are committed to promoting & improving the New Mexico construction business environment through advocacy, education & networking. The beliefs and focal platforms of ASA are ethical & equitable business practices, quality construction processes, and safety in the workplace and work environment.

GOVERNMENT RELATIONS; ASA works on behalf of members in New Mexico and throughout the nation. ASA-NM develops relationships with NM legislators, works with government agencies, legislative bodies and elected representatives, reporting to our members on regulations and changes in laws that affect your business.

NETWORKING; by networking with other subcontractors and suppliers you can enhance your business operations, reputation, and opportunities for growth in the industry.

VALUABLE EDUCATIONAL MEETINGS; Monthly ASA-NM meetings offer the most current information on relevant topics that address your needs and interests. ASA-NM also holds in-depth panel discussions throughout the year that focus on issues that are important to your company. ASA's national meetings provide a broader perspective.

STRENGTH IN NUMBERS; ASA-NM and ASA fight for improvements in the construction industry at the local, state and national levels; by working together we can accomplish changes that are difficult to achieve alone.

STAFF THAT WORKS FOR YOU; our staff is highly accessible and committed to serving member needs. We will help find the answers you need to successfully operate your business.

INFORMATIVE PUBLICATIONS; ASA-NM keeps you up to date with electronic updates to keep you informed about the happenings at ASA-NM and ASA National. You'll also receive The Contractor Compass, an online educational and business development journal covering ASA national news.

LISTING IN THE MEMBERSHIP DIRECTORY; distributed to subcontractors, general contractors, architects, engineers, service and suppliers in the commercial construction industry, creating more exposure for your company.

The American Subcontractors Association of New Mexico (ASA-NM) is the local chapter of the national 2,500 member national American Subcontractors Association (ASA).

When you join ASA-NM, you automatically become a member of national ASA. Your membership allows all employees of your company to fully participate and enjoy the benefits of ASA-NM and national ASA. We provide educational opportunities and industry information that are valuable to you and your company through member meetings, networking, and events within the commercial construction industry.
